Pentru Ford Fiesta 6

Se demonteaza carcasa existenta sub volan prin desurubarea celor 3 suruburi
Se inlocuieste cu carcasa speciala - Ford Finis 1329910

Prin fanta existenta se trage firul cu mufa, se conecteaza la telecomanda

Teaca telecomenzii se introduce pe canalul existent in coloana de directie.
Se impinge pana se aude click

98 AB 14K 147 AC
